Some are booked directly with those that run the clubs (Freestyle, Hotshots, uDance, Dodgeball) so the letter about booking onto these will be distributed via your child on the day of their taster session.

Others are booked through us, and you should use the slip below asap to request the places you want. Do it immediately to maximise your child's chance of getting the places they want.

There are some new clubs on offer this year. Some of these are sports clubs led by Tom Wood, who is our main sports coach this year. He will be delivering PE lessons in several year groups as well as supporting the sports zones at lunchtime. He is well-known to the children and very popular. His clubs will fill quickly.

A new addition of note is a French Club led by Marion Norton from La Jolie Ronde. Here are some further details:

The French class will have up to 12 pupils (we hope to run more than one club if demand is high enough). The cost is £4.50 per week, payable termly in advance, plus a one off cost of £17 for the workbook, CD and Pencil (which will last the full year, so the aim is children stay with the club all year). La Jolie Ronde Programme is highly regarded and aims to provide a unique structured language course; an authentic accent to pick up; small classes close in age group; conversation, grammar, games, rhymes and stories; geography and culture; termly reports on progress.

I'm very pleased to offer such a fantastic range of activities that I hope will provide improved enjoyment and fitness for our pupils. A limited number of subsidised places are available for those pupils who qualify for free school meals. Please note such requests on the form below.
